Re: Report for NLLN Professional Engagement Award for the Circulation  
and Interlibrary Loan Workday, April 15, 2011, Edina MN

Thank you for providing me with a Professional Engagement Award to attend and participate in this workday. I attended the following sessions; Services in ILL such as Patron Link Removal and Archiving, Updating Potential Supplier Lists and ILL General Topics. I was one of the presenters in ILL General Topics. I talked about where to find and get on the list of email addresses to deliver online articles via pdfs.

Thanks again for your support!

Sincerely,  
Dianne Schmidt
